

## Headteacher Blog – Thursday 13<sup>th</sup> June 2024

Time: 16:00

When a school books a date in the diary for their Sports Day, there are always questions over whether or not the British weather will be kind to us. Well, God answered our prayers and the rain managed to stay away (until lunch time anyhow when the heavens opened!).

Staff had set all the equipment up and ready the day before. Unfortunately, we had unwanted night time visitors who sadly broke in to our ball court and sabotaged some of the equipment. However, this did not dampen the spirits of the staff, who shot straight in to action, getting everything ready for our 9:30am start.

Parents and family members started to arrive around 8:45am with their deck chairs, getting the best viewing spots near the finish line. Just before 9:30am, the House Captains led their teams out to a chosen piece of music, waving their arms and their banners whilst everyone cheered their arrival.

The races started with sprints, then came sack, egg and spoon, obstacle, potato, skipping and relays. The morning concluded with a toddler race and a staff race!

All in all, the day was a huge success, with Wyre House winning and children able to 'shine from the inside out'.

This is all down to a fantastic staff team, who work incredibly hard to give our children the very best experiences.

Well done Newton Bluecoat CE staff team, you are simply the best! Thank you to our NBS families for your support. Mrs Robinson

Wyre House Captains, Jacob and Hollie, leading their House on a winning lap of the race track. Well done to everyone!
