

# World Book Day

## 2026

(by the Reading  
Ambassadors)

For World Book Day 2026, our celebrations began with our School Reading Ambassadors, who confidently presented an informative PowerPoint to the whole school about the importance and joy of reading. This

was followed by a lively costume catwalk, where children proudly showcased their creative World Book Day outfits.

Throughout the day, we also welcomed a wonderful range of mystery readers, including members of

the fire brigade, AFC Fylde first-team coaches, Fylde Rugby players, and several of our school governors, who all shared stories with the children.

Classes also paired up to enjoy shared story sessions over hot chocolate, adding a warm and cosy touch to our celebrations. We spent time transforming

wooden spoons into characters from traditional tales, and to round off the day, we then used these to perform and share the stories that we had created.
