

Welcome to the Year 4 Home Learning Menu.

This term we are setting one creative challenge along with Maths and English, which will be set weekly online. The creative task will give your children the opportunity to extend and embed their learning for a topic we are exploring this half term.

Each week, Grammar will be set on SPAG.com and times tables on Purple Mash. The passwords for these websites are in your child's reading diary. These must be completed on a weekly basis.

At the end of the half term, we will showcase the work brought in by the class.

Year 4's Weekly Homework

- Each week, your child is expected to read 2-3 times a week at home and for this to be recorded in their reading diary.
- A weekly Maths or English task will be **set on a Tuesday** and should be completed by the **following Monday**.
- Spellings will be given out on Friday and sent home with them being tested on the following Friday.

Thank you

Newton Bluecoat Home Learning

Year 4

Topic: Water Water Everywhere

ART / DT

Build a River Model.

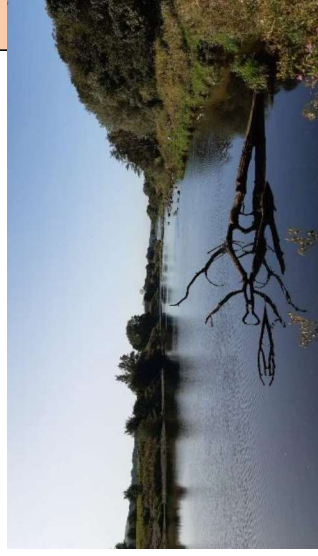

Make a 3D river using materials such as cardboard, foil, clay or natural items.

Label the features (source, mouth, meander, waterfall, etc.).

OR

River Landscape Artwork. Create a painting, collage or drawing of a river scene. Include plants, animals and maybe even a bridge or boat.

Creative Challenge

GEOGRAPHY

Local River Visit

Visit a local river (with an adult).

Write or sketch what you see: animals, plants, bridges, the shape of the river, etc.
