

Welcome to the Year 5 Home Learning Menu.

This term we are setting one creative challenge. The creative task will give your children the opportunity to extend and embed their learning for a topic we are exploring this half term.

Each week, Maths and Grammar will be set on SPAG.com and Maths.co.uk. The passwords for these websites are in your child's reading diary. These are to be completed on a weekly basis.

At the end of the half term, we will showcase the work brought in by the class.

Year 5's Weekly Homework

- Each week, your child is expected to read 2-3 times a week at home and for this to be recorded in their reading diary.
- A weekly Maths or English task will be set on a Wednesday and should be completed by the Monday of that week.
- Spellings will be given out on Friday and sent home with them being tested on the following Friday.

Thank you

Newton Bluecoat Home Learning

Year 5

Topic: A Kingdom United

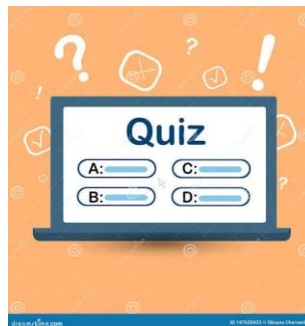

Computing

Make a short quiz (5–10 questions) to test your classmates on their knowledge of the UK.

Example questions:

- What is the capital of Wales?
- Who is the current monarch?
- Name one famous British landmark.

Creative Challenge

Geography

Print/draw and label a map of the United Kingdom.

Tasks:

- Label England, Scotland, Wales, and Northern Ireland
- Add the capital cities
- Decorate it with symbols or landmarks from each nation.
